General Bernard A. Schriever  
Commander  
Air Force Systems Command  
Washington 25, D. C.

Dear General Schriever:

Some time ago, I felt the need for an aide memoire on the Soviet space program and asked the Office of Scientific Intelligence here at CIA to prepare a Soviet Space Log. The attached Handbook is the result and will be brought up to date from time to time. I thought that you might like to have an advance copy.

Sincerely,
